The Board does recognize that certain outside employment may have a beneficial impact on the Superintendent's professional growth or may not interfere with the Superintendent's performance of his duties and responsibilities. The Superintendent may accept a limited amount of outside employment or consulting (including writing, lecturing, speaking engagements, or the opportunity to teach or serve as an adjunct professor at the college or university level on a part-time basis), provided that the Board has approved the outside employment and found that the outside employment in no manner interferes with the Superintendent's performance of his duties and responsibilities. The Superintendent will take vacation or other leave time as defined by Board policy while performing any private consulting during normal weekday work hours. In addition, the Superintendent may accept appointments to foundations, boards or commissions that do not interfere with the Superintendent's performance of his duties under this Contract, subject to the approval of the Board. The Superintendent agrees to comply with all laws and regulations regarding conflicts of interest. In no event will the District be required to reimburse any expenses incurred by the Superintendent in the performance of outside employment."
