

POINTS OF PRIDE #26

01 PROJECT ADAM

Crowley ISD has been asked to participate in a nationwide pilot program with Project Adam. The program will add QR codes to our AEDs so that an automated report can be generated. The report will allow us to maintain school affiliations and track the maintenance and use of AEDs in the district. In times of crisis we want our staff and equipment prepared and ready to help.

02 SPRING FAMILY FESTIVAL

Join Crowley ISD on Saturday, April 29 at the Bill R. Johnson CTE Center for the 2023 Spring Family Festival. Doors open at 9am and activities include pre-k registration, a SciSTEM Fair, teacher, para, and student job fairs, a disability resource fair, free food, games and much more. But best of all you can vote early onsite Saturday, April 29 at BRJ!

03 SYCAMORE ELEMENTARY

On Monday, April 24 students at Sycamore Elementary participated in "Mindfulness Monday" to prepare for their STAAR tests on Tuesday.
