

POINTS OF PRIDE #30

01 SUMMER IBC CERTIFICATION

Summertime is learning time in CISD, so from Monday, June 5 to Thursday, June 29 high school students have an opportunity to receive intervention as they prepare for their Industry Based Certification exams for programs such as Adobe, medical assistant, cosmetology, and pharmacy, because in Crowley ISD excellence perseveres!

02 SUMMER STEM CAMP

Summer is for STEM in Crowley ISD, so we infused STEM in our summer school offerings for elementary and middle school learners AND we even created a unique opportunity for our GT kids. Students were introduced to various pathways such as block coding, aviation and bioengineering where they created prosthetic limbs, because in Crowley ISD, excellence is everyone!

03 SUMMER MEAL PROGRAM

Children need nutritious meals to learn, grow and thrive even when school is out. With the Summer Meal Programs, children and teens ages 18 and younger, and enrolled students with disabilities up to 21 years old can continue to eat healthy throughout the summer at no cost at any participating meal site because in Crowley ISD excellence never quits!

04 Summer Athletics Camp

In Crowley ISD summertime is training time and we are helping our athletes prepare to win in the 23-24 school year. This Saturday, June 24 Dallas Cowboy, Tyler Smith will host a free youth football camp at our Crowley ISD Multi-Purpose Stadium for boys and girls ages 8-16 because in Crowley ISD excellence can't be beat!

05 SUMMER FINE ARTS CAMP

In Crowley ISD summer is for singing and all things Fine Arts that's why over 100 elementary students participated in our five-day Fine Arts Camp from June 12 - 16. Students were able to select from six areas which included cheer, theater, computer, art, music and percussions. In Crowley ISD excellence is a beautiful thing!

06 COMMUNICATIONS & MARKETING

Promotion and excellence go hand in hand so it's no surprise that our own Matt Hoover has been promoted to manager of the Communications Department in Junction City, Kansas! Hoover's award-winning graphic design skills, web development work and photography here in Crowley ISD did not go unnoticed and although we will miss him, we appreciate him for all he has done here in CISD. Go be great!

07 WALK FOR FREEDOM

Excellence was on display as the Crowley ISD team walked alongside our beloved Ms. Opal Lee and our friends and neighbors in the Fort Worth community at the annual Walk for Freedom this past Monday, June 19. We are proud of our staff and students who participated and proud of our country for honoring this day as a federal holiday. Crowley Pride...Unified!
